A leading spares supply and technical service company with more than 10 years' experience in the marine industry

HATCH COVER SPARE PARTS, SUPPLY & TECHNICAL SERVICE

- Original rubber packing for TTS, Macgregor and Tsuji
- Hatch cover hydraulic system spare parts
- Fittings such as wheels, cleats, drain valves, resting pads, etc.
- Familiar with worldwide major manufacturers including TTS, Macgregor, Tsuji and other manufacturers.
- Highly trained technicians from famous hatch cover design and manufacturing companies enable us to solve problems on ship's hatch covers with original parts.

HATCH COVER SERVICE

- Our professional team, well trained by hatch cover makers, will board the vessel whether the ship is at the terminal or in the shipyard, for a pre-docking service and in-docking service. The service includes checking the hatch cover condition, thickness, packing/cleat/drain valve renewal and hatch cover alignment.
- Hydraulic System testing and overhauling, including the testing on the power station, hydraulic motor, cylinder liner and piping.

OTHER SERVICES

- Anchor & Anchor chain supply, domestic or Overseas - with IACS Certificate including; LR/GL/BV/NK/DNV/RINA/CCS
- Crane/Winch/Controller and spare parts - (IHI) Wuhan Marine Machinery
- Aaqing Daihatsu original spare parts
- Davit/Provision crane: Zhenjiang Marine Auxiliary

Above are just some of the services we offer.

Our prices are competitive and work is guaranteed for service life.
